100 YEARS 1908-2008
GREAT THINGS ARE ABOUT TO HAPPEN...

The University of Alberta's founding president, Henry Marshall Tory, made a bold prediction about the institution he would come to lead for 21 years: **"Great things are about to happen."**

For 100 years, great things have been happening at the university and the community it serves; Tory pledged that Alberta's university would be the domain of all, that it would commit itself to "the uplifting of the whole people."

Join us in 2008 as we celebrate our Centenary – more great things are about to happen.
